FROM THE TOP

- I am very excited by the progress of the Stuttgart Navy Process Action Team comprised of CTOCM Dixon, YNCS(AW) Godlove, YNC(SW) Brown, YNC(AW) Helm, PNC(SW) Rowe, and PN1(SW/AW) Kelly. This team is making significant headway in the areas of Leadership Continuum and establishing a Stuttgart Navy budget. Feel free to provide your input to any of the team members and I will certainly keep you posted on our progress.
- I was recently afforded the opportunity to visit the Naval Security Group Activity in Bad Aibling. I was really impressed by this professional group of people led by Commanding Officer LCDR Hooley, Executive Officer LCDR Hughes, and Command Master Chief CTACM Bogosian. Bravo Zulu!

ATTENTION OFFICERS! If you haven't caught a glimpse of the January-February issue of Perspective, you should. This Career Issue has important information pertaining to Education, Foreign War Colleges, Subspecialty Management, Fellowship Programs, Joint Requirements, Service Record Management Tips, information on boards, your microfiche, the Officer Data Card, Performance Summary Record, Career Progression Issues, new augmentation policy, and information on retaining the all-professional force. The PSD has reproduced several copies that are available to customers.

VEAP TO MONTGOMERY GI BILL UPDATE: If you were one of the service members who applied for this conversion and haven't heard anything yet or still have lingering questions, a great point of contact is Petty Officer Thompson DSN 312-224-5934 (FAX 5582). This Sailor has several databases at his fingertips and can tell you immediately the status of your conversion, allotment, and refund.

REENLISTMENT REMINDER: Just a reminder that all first-term personnel wishing to reenlist must submit ENCORE messages; Sailors in CREO 1 and CREO 2 ratings must submit the messages for notification only, while Sailors in CREO 3 ratings must receive BUPERS approval prior to reenlistment.

TRICARE TIDBIT: (From a recent article entitled "Traveling with TRICARE Europe). If TRICARE Europe Prime enrollees need emergency medical care while traveling overseas, they should seek care from the closest available facility. If a military facility is nearby, they should attempt to obtain care from that location first. All European TRICARE Service Center phone numbers are listed in the TRICARE Passport. Pre-authorization is not necessary, but enrollees must contact their local TRICARE service center as soon as possible after receiving care. While traveling in the states, the rules are the same, but enrollees will incur co-payment responsibilities (\$6 or \$12 for outpatient and \$30 for an emergency room visit). It is extremely important for Europe Prime enrollees to know that all claims, no matter where the care is received, must be submitted to the Foreign Claims address: Foreign Claims, WPS-CHAMPUS, PO Box 8976, Madison, WI 53708-8976.

PASSPORT CHANGES: The Army Personnel Support Battalion (PSB) has graciously agreed to process all official passports, no-fee passports, reports of birth, and tourist passports for Navy personnel. This request was made of them due to reductions in our staff and due to the fact that the PSB has a dedicated passport staff. The PSB is located at Panzer in building 2948 (across from the laundry-mat, next to the gym, and in the same building that driver's testing used to be located in), room 101. The point of contact is Chief Warrant Officer Henderson at 431-

Did you know that...

...The Stuttgart office of the Navy Marine Corps Relief Society rendered **\$11,050.00 in financial support** during 1997 while fund drive contributions totaled \$5,820? As a whole, the Society disbursed 42.1 million in supporting more than 63,000 active-duty and retired Navy and Marine Corps personnel world-wide. Stuttgart support was broken down by the following categories:

Spouse Tuition Assistance = \$3,318.00
Emergency Leave Assistance = \$2,700.00
Other Transportation Issues = \$3,422.00
Funeral Expenses = \$1,150.00
Command-Verified Pay Problem = \$400.00

Additionally, this office gave away ten "Baby Seabags", which is not accounted for in the figures above.

If possible, please be generous during the current Navy and Marine Corps Relief Society Fund Drive. Your fellow service member appreciate your support!

Navy Relief POC is LT Blankenship at the PSD.

Your First Resource...

Not your last resort!

2837/2539. One suggestion: for any renewals of no-fee dependent passports, it is recommended you bring a copy of your page two with you to verify dependency. We are more than happy to FAX you a copy of your latest page two for your convenience. For personnel attached to HQ USEUCOM, SGT King of the Army Element will process all official passport requests. He can be reached at 430-5367/7274. If you have any questions or experience any problems, please call LT Blankenship.

HAVING A BABY? If you are about to have a baby, please be aware of TRICARE procedural changes as of 1 October 1997. Prior to this date, families were given a one-year grace period to ensure their child was enrolled in DEERS and during that grace period, all medical bills would be paid. As of 1 October 1997, there is no longer any grace period. This means that it is very important to complete a new page two (even prior to the "American birth certificate" being issued) with the PSD and take it downstairs to enroll the baby in DEERS. Failure to do so may result in your receiving medical bills.

REVERSION OF TYPE 6 NEUTRAL DUTY TO TYPE 6 SHORE DUTY: NAVADMIN 133/97 deals with this subject in-depth, but in a nutshell, all Type 6 Neutral Overseas Duty reverted to Type 6 Shore Duty effective 1 January 1998. This means that if you transferred to your current tour after 1 January 1998, you are serving in a shore duty billet (except members of NSWU-2). The one benefit of this change is discussed in paragraph six of this NAVADMIN: Sailors transferred into Type 6 Shore Duty after 1 January 1998 are eligible for the Overseas Extension Incentive Program (OTEIP). The OTEIP offers the choice of \$80 per month for a year, thirty days rest and recuperative (R&R) absence, or fifteen days R&R plus a round-trip ticket to the point of debarkation in the United States in exchange for an extension of the current PRD by twelve months or more. As always, OTEIP extension requests are reviewed on a case-by-case-basis.

ARE YOU TRYING TO COMPLETE A CORRESPONDENCE COURSE? This detachment has had some problems receiving correspondence courses in a timely manner. If you would like a course that the PSD doesn't currently offer, please send a FAX to 430-5775. Please clearly address the FAX to ESO and indicate the course or courses you desire. If this is a course you have requested in the past, please also indicate that. PN1 Kelly will personally track all courses to ensure we receive all the courses desired by our customers. Your cooperation and patience are greatly appreciated.

LEADERSHIP CONTINUUM: This training is required for newly advanced E-5, E-6 and E-7 personnel and for those who have not completed LMET/NAVLEAD in their current paygrade. There are numerous opportunities to complete Leadership Continuum in the European theater, representative classes are listed below. Talk to your supervisor about this requirement. Contact the listed point of contact directly to reserve a seat, then Submit your TDY request through your chain of command.

FROM THE TRANSFER DESK: Well shipmates, it's that time of year again when we add a 10 day window to your transfer date. Now lets not jump overboard just yet. Let me explain. Flights to the States during the months of May, June, July and August are water tight. This means get me your transfer information as soon as possible. Making travel arrangements at the last minute or changing your mind could cost you a few wonderful days in Stuttgart. If you do not have a transfer package on your desk along side your orders call me immediately. We'll work on this together to get you out of Germany on time and stress free. The following personnel are scheduled to transfer as indicated. If you are in receipt of orders and your name does not appear on this list, please contact PN2 Zimmer as soon as possible. Thanks and *Happy Transfer*
